Brides can choose from a variety of indoor and outdoor wedding and reception sites....

**Pioneer Club:** beautiful, brand new 4000 sq. ft. event hall. This building is two stories, with large space on either floor. Two spacious decks open from the interior with French doors. This building can handle formal sit down dinners, wedding ceremonies, and receptions. It is located off the pool and cabana area, which would also be a wonderful site for a ceremony and reception.

**Pueblo House:** perfect for a small formal gathering. This historic property has 55 acres and a beautiful front lawn for an outdoor ceremony. The Pueblo House is a 9000 sq. ft. home with formal living rooms, a beautiful outdoor courtyard and a formal dining room.

**Playmeadow:** ideal for the "no-frills" bride who prefers a ceremony creek side or in a large meadow, with a casual buffet-style reception.
